"To Be"

Call me up and we can chat a bit
I know you want to
I see you watching me as I move
Why do you stare?
I hope you will
Be my man tonight
Yes, That's what I want
[chours]
I want you to be
The man for me
Let me live with you
For eternity (Yeah)
Kiss my hand and then
You'll understand
I am for you
Yeah

You look stunned to see me
Close your eyes
Open your mouth and let me see
The surprise
I love you, yeah
And you love me back
Well I, Yes I'll always be here
For you
I want you to be
The man for me
Let me live with you
For eternity (Yeah)
Kiss my hand and then
You'll understand
I am for you
Yeah

Let me be your girl
Let me walk with you
Let me rock your world
Let me be the sky you look into to
Let me be the hand you hold
Let me be the wife
Let me be your wife to be

Yes, that's what I want
[chours X2]
Yeah, to be
I will be to be
Call me up and we can chat a bit
So, maybe not
[chours repeat 2]
