"And We Drive"

Here we are now
On Life's highway
Looking back on your mistakes
No we can't take that back now
It's time to learn to live day by day

Chorus:
And We drive (on through the night)
And We drive (on pass this site)
And We drive (don't look back now)

So learn from your mistakes
Yeah sure a catchy phrase
How could I take your grace for granted?
Will I ever learn anything?

(Chorus)

Father I'm coming back
There's no other love
No other love
