Lying in the gloom
Of my lonely room
Thinking of how to reach you
Dreaming of having you.

I believe in dreams
And I believe in miracles
I believe the toy balloons
Can reach the moon.

I dont have the courage and the will
To say the words
But I can't feel of what's inside me is for real
Oh and i know someday
I'll have the chance to prove and say
Three simple words would come your way
I know I have the chance someday

Coz I believe in dreams.
And I believe in miracles
I believe the toy balloons
Can reach the moon.

I dont have the courage and the will
To say the words
But I can't feel of what's inside me is for real
Oh and i know someday
I'll have the chance to prove and say
Three simple words would come your way
I know I have the chance someday
The chance for me to say...

That I love you...
Oh I love you...
Yes I love you...
Oh I love you...

I believe in dreams
I believe my dreams would all come true

(I believe it will all come true)
Ooh i believe..

(I believe it will all come true)
Ohh I believe..
(I believe it will all come true)
Ooh I have faith to believe in dreams...
(I believe it will all come true)
