I wanna be a beer truck driver
I wanna see that all the beer inside her
Safely makes it to its destination
I wanna be a beer truck drivin' sensation
Well when i was a little child I was riding a bus to school
I saw a terrible accident on the side of the road and the
memory haunts
me still
Well a big ol truck it was full of suds had passed over
on its side
There were bottles broken all over the street there were
very few left
inside
Well the river of beer, yeah it was flowin right down
county lane
Where the foam drowns into the gutter and down the
sidewalk drain
And I wanna be a beer truck driver
I wanna see that all the beer inside her
Safely makes it to its destination
I wanna be a beer truck drivin' sensation
Well well I grew up with the rules of the road and my
goal that seemed
so clear
I learned that everything that is in back of me maybe
closer than it
appears
Well I was on a mission to save the folks who needed a
cold beer
After a long hot day with little pay I'd be right there for
you
Well I went down to beer truck driving school like the
man in the plan
he told me to
Look me up when you get Class 4, I'll see what I can do
for you
Cause I wanna be a beer truck driver
I wanna see that all the beer inside her
Safely makes it to its destination
I wanna be a beer truck drivin' sensation
Well when I die many years from now I want all the beer

drinkers to
somehow
Remember that frosty bottle or can that appeared there
in their hand
Yeah I want everybody to raise their bottle of beer and
say to me
To all the 18-wheeled chariots and all the beer drinking
patriots
Because without them what we wouldn't even have a
name and beer drinkin
is our game
Beer truck driver, give em a hand and let me hear it
again
Cause I wanna be a beer truck driver
I wanna see that all the beer inside her
Safely makes it to its destination
I wanna be a beer truck drivin sensation
Yeah I wanna be a beer truck driver
I wanna see that all the beer inside her
Safely makes it to its destination
I wanna be a beer truck drivin sensation
Well I wanna be a beer truck driver
I wanna be a beer truck driver
I wanna be a beer truck beer truck driver
