#### Extended Version

Its been a long road, getting from there to here.  
Its been a long time, but my time is finally near.  
And I can feel the change in the wind right now.  
Nothings in my way.  
And theyre not gonna hold me down no more, no  
theyre not gonna hold me down.

Cause Ive got faith of the heart.  
Im going where my heart will take me.  
Ive got faith to believe. I can do anything.  
Ive got strength of the soul. And no ones gonna bend  
or break me.  
I can reach any star. Ive got faith, Ive got faith, faith of  
the heart.

Its been a long night. Trying to find my way.  
Been through the darkness. Now I finally have my day.  
And I will see my dream come alive at last. I will touch  
the sky.  
And theyre not gonna hold me down no more, no  
theyre not gonna change my mind.

Cause Ive got faith of the heart.  
Im going where my heart will take me.  
Ive got faith to believe. I can do anything.  
Ive got strength of the soul. And no ones gonna bend  
or break me.  
I can reach any star. Ive got faith, faith of the heart.

Ive known the wind so cold, and seen the darkest days.  
But now the winds I feel, are only winds of change.  
Ive been through the fire and Ive been through the rain.  
But Ill be fine.

Cause Ive got faith of the heart.  
Im going where my heart will take me.  
Ive got faith to believe. I can do anything.  
Ive got strength of the soul. And no ones gonna bend  
or break me.

I can reach any star. Ive got faith.

Ive got faith of the heart.

Im going where my heart will take me.

Ive got strength of the soul. And no ones gonna bend  
or break me.

I can reach any star. Ive got faith, Ive got faith, faith of  
the heart.

Its been a long road.
