Damn all you getting better  
Did I try enough this year?  
You're nervous I'm a wreck  
You'll get in and I'll be happy for you!

Get reviewed, examined  
I could always take that job again  
But I've got so much more here to learn  
And get ready for whatever's to come

It's the third time I try it  
Wasn't "third" suppose to be a charm?  
Then I hope this knocks me down and  
Charm me to my knees

You'll be fine, you're alright  
I'll get lost in the summer  
When you sang they went nuts  
I know I'm way out of my league

So I tried did my best  
It wasn't enough then and it's not enough now  
Well I got in to another school  
Maybe it's just what I need, but will I grow?

It was the third time I tried it  
Wasn't "third" suppose to be a charm?  
Then I think I got screwed 'cause now I'm  
Right back were I started

You'll be fine, you're alright  
I'll get lost in the summer  
When you sang they went nuts  
I know I'm way out of my league

Next week they've all forgotten me  
Forgotten me!

I'll be fine is just make believing x6

You'll be fine, you're alright

I'll get lost in the summer  
When you sang they went nuts  
I know I'm way out of my league x2

Next week I won't believe in me,  
Next week they've all forgotten me  
Forgotten me!
