You say you're there (for me)
But I don't care
You want the best (for me)
But I won't dare
Give you a chance (a try)
In my life
I don't like change (or time)
In my life
I don't like the time
I don't like the pace
Can't you see the blank stare on my face
So, why don't you bother me some other day
You won't give up (on me)
But I think you will
You keep on praying (for me)
I'll just sit here
Got no time for church (i'm scared)
Go go away
No room for amazing grace (i'm empty)
That's all i've got to say
