

Side Walk Slam "Can I?"

Open up your eyes and take a chance
Open up your mind and get rid of regret
Think of all the years, think of all the tears
And ask yourself this question

Can I?
Can I?
Can I?
Can I?

Looking forward never turning back.
Analyzing past mistakes, what did I lack?
Think of all your peers, think of all your fears
And ask yourself this question

Can I?
Can I?
Can I?
Can I?

Can I?
Can I?
Can I?
Can I?

Can I do this? Can I do that?
Can I make sense of what I lack?
Can I be something that I'm not?
Can I live life and not get caught?

Can I do this? Can I do that?

Can I?
Can I?
Can I?
Can I?
