Summer sunday afternoon and i'm feeling sorta blue  
Tryin to keep my mind from missin you  
I get your letters once a week, and in my heart i'll  
always keep  
Fond memories of only me and you  
You say you miss the times and summer dreams  
And they're in your heart  
I say i miss your smile and all your faces  
And they're in my heart, in my heart  
So now i sit and start to think  
And i often wonder why  
Of all the times i sat and made you cry  
I get your letters once a week, and in my heart i'll  
always keep  
Fond memories of only me and you
