Well, I heard you're leaving, you've been  
contemplating  
This for a while now, so say goodbye now  
Do you have a destination or just imagination?  
You seem so heartless, how can I ask this?

Do I deserve a second chance  
To share this romance?  
Why leave me, stay with me

'Cause I've, I've lost myself to you  
I don't know what to do  
Why leave me, stay with me

Yesterday was a hard mistake  
Please don't follow in my path  
Yesterday I died alone  
Please don't follow in my path

Do I deserve a second chance  
To share this romance?  
Why leave me, stay with me

'Cause I've, I've lost myself to you  
I don't know what to do  
Why leave me, stay with me
