Five days and counting down
This time it's been to long
(I'm homeward bound)
Everyday it's all the same
Another show the same old game
(This time around)

Say the words I miss you so
These days are going way too slow
(I need you near)
Letters to reach you there
To show you that I still care
(I care)

Sad eyes hide behind these lines
The road will take us far but not where my heart lies
and
Phone calls to tell you right now
I miss you when I'm gone

Tired, broke, all days a fight
I want to be home tonight
(I'm homeward bound)
I'm dreaming to see your face
Another time another place
(This time around)

To know you're there, to know you care
It means the world I'll show you dear
(I need you near)
I'd walk these miles to see you now
To hold your hand and see you smile
(I care)

Sad eyes hide behind these lines
The road will take us far but not where my heart lies
and
Phone calls to tell you right now
I miss you when I'm gone

Sad eyes hide behind these lines
The road will take us far but not where my heart lies

and
Phone calls to tell you right now
I miss you when I'm gone
