So tired but I can't sleep  
What do I do? Can this thing be beat?  
The things you said to me were real  
And now I just can't deal with the thing's  
You've placed in my life

Why do you run, run away from me?  
Why do you run?  
Why do you run, run away from me?  
Why do you?

I'm starting over slowly, where do I start?  
It makes no sense to me  
I'm seeing things so differently  
I think it's safe to say I'm scared to be alone

Why do I run, run away from you?  
Why do I run?  
Why do I run, run away from you?  
Why do I run?

Why do we run, run away from you?  
Why do we run?  
Why do we run, run away from you?  
Why do we run?
