Wish that I could take it back
The things I did to you last night
Looking back now on my actions
I know that I wasn't right

Wasn't something, I just planned
I didn't mean to turn you blue
Feelings seem to come and go
Ask what happened? I don't know

It seemed so right
It seemed so right
I've lost the fight

After all is said and done
Let's forget and let's move on
I'd really like to start again
But loves nothing but a dead end

Wasn't something, I just planned
Didn't mean to turn you blue
Feelings seem to come and go
Ask what happened? I don't know

It seemed so right
It seemed so right
I've lost the fight

It seemed so right
It seemed so right
I've lost the fight
