This is love, This is hate

This is chance, This is fate

These the rich, These the poor

This is peace, This is war

IN A GARDEN GREEN

This is dark, This is light

This is wrong, This is right

These the strong, These the weak

These awake, These asleep

IN A GARDEN GREEN

These to hide, These to seek

These to laugh, these to weep

These build , these destroy

This a girl, This a boy

IN A GARDEN GREEN

These are flowers, These are weeds

These are healthy , These diseased

These will bloom, These will rot

This the tomb, This the cot

This a path, This a wall

This a plough, This a sword

This is marble, This is clay

This a throne, This a grave

IN A GARDEN GREEN

Is God Good

is God Bad

Is God Happy

Is God Sad

Is God Honest

is God Sly

Is God alive

or did God Die

IN A GARDEN GREEN
