errrywhere I go, go, go
get purple on the road, road, road
it's making things so slow, slow, slow
and I love losing control
everywhere I look all I see
is purple on the scene
MDMA or ecstasy
please, please, please

it starts so suddenly
swore I didnt feel anything
thought my friend was the enemy
but things are transitioning
and I've never felt so sweet
like sugar on my tongue and teeth
now the purples what I need
to keep on rolling please
everywhere I go
theres purple on my clothes
and your wardrobe
this shit is so dope
I pop another pizzill
feelin a little thizzled
its turning my flirting skizzills
into real thrills while on pills
unfolding sheets like layers
I feel like the biggest player
and ingoring all naysayers
I will continue to get flared

theres purple on the walls
it sounds purple when she calls
purples running down the halls
and the purples on my balls
biggie smalls
not at all holy hell
make a fool wanna yell
but i do my best to control myself

Rolling, rolling,
and she ain't even in the car
she won't even believe me

high off the weed
What y'all don't know,
we riding on the highway
Get the wheel so I can go down on ya,
I serve it on my way
She reaching feeling
so zigidy zigidy zigidy
Got these bitches,
fucking these bitches
Baby be peeled off,
peeling on moving slow
An Seditious rock hard,
tongue-well and mean slow
We in the club crunk,
thizzed up, and still rolling
They know my pockets swollen.
Hold up show 'em we rolling
We rolling, rolling, rolling
and rolling, rolling, rolling
