Go with the flow, everybody here knows  
You gotta go, you gotta go  
She listens up telling everybody "no"  
You gotta go, you gotta go  
And save yourself from doing all that's wrong now,  
And save yourself from, lord I don't know  
We got time, and time is rolling on now  
I don't know  
I don't know

Gonna listen to me, listen to me sideways  
Hold me down and whisper in my ear  
Gonna listen to me, listen to me my way  
Golden town, you'll know it when you're here

You don't even know

Do you know, do you know girl, do you know now
