BRING BACK ISLAM
BRING BACK THE STATE
When I said no more wait
I meant..
NO MORE WAIT!!!!!!
No more watching brothers die
No more watching sisters cry
OH MUSLIM UMMAH RISE!!
Rise up from these lies
Rise up from nationalism pride
Allah is on our side
WE WILL NEVER COMPROMISE
MUSLIM FOR LIFE!
MUSLIMS UNITE!

Billion and a half Muslims
They can't make us or break us
Don't judge us aside
By our faces and places
COLOR BLIND...!!!
No spaces for racist
Travelers in this life
Your lies can never fool us
ISLAM IS THE ONLY SOLUTION
To the problems that face us
WE WON'T COMPROMISE ISLAM!!
These kafirs can never take us

When they drop bombs
On our brothers...It hits us
We don't mix action with our prayer
Oh Allah.....forgive us!
Let us RISE up for Islam
Like we RISE UP for fajr at dawn
Uniting under one flag,
Using Islam as our only bond
Its time to take a STAND!
Follow ONLY Allah's Commands!
Put Khilafah back on the MAP
ITS TIME TO BRING ISLAM BACK

Bring Islam Back Bring Islam Back
Bring Islam Back Bring Islam Back
Bring Islam Back Bring Islam Back
Bring Islam Back Bring Islam Back

No KHALIFAH?

Where are we heading?'

Without Islam

We're stressing

Implement Allah's blessing

That's what I am addressing

Apart from this kufur scheme

Bring Islam back to the scene

Let's unite the Ummah!!

Following only the Quran

And the Sunnah

Even if all the kafirs got together...

They still couldn't stop this Ummah! We love Islam

More than we love life

Got Muslim brothers on my side

Keeping each other in line

With One vision.....

The Deen of Haq

With One mission.....

To Bring Islam Back!

One Ummah!

One agenda!

Allahu Akbar

Insha-Allah I will see you in Jannah

Takbir!!!!

Allahu Akbar Allahu Akbar

The Ummah was once

One body undefeated

Until colonialism crept in

And separated us

According to land

According to geography

According to nationality

Now we suffer tyranny

Since the Khilafah been destroyed

We have been more than 50 states

Put in place puppet rulers

With stupid grins on their face

Race or skin

Your criteria of bond?

Shallow thinking

And superficial is how we call it

This reality states

that mankind needs revival

Based on what?

Definitely not the instinct of survival
Tribe-lism has infiltrated our mind
Has divided our lands
Now tells me where is our IMAMM?

Bring Islam Back Bring Islam Back
Bring Islam Back Bring Islam Back
Bring Islam Back Bring Islam Back
Bring Islam Back Bring Islam Back

Muslim Ummah's Driving
But there's no one to steer
Over a billion & ½ Muslims
But we got no Amir
When our enemies
Use to see the flag
They use to be in fear
They couldn't hurt Muslims
Because Khalifah was here
So many years without a State
Muslims minds in rust
Now we must reestablish Islam
Reestablishment is a must
Fear no one but Allah
In Allah we trust
If you are down with Islam
Then you're down with us!!!

Remember these words
BRING ISLAM BACK!
Time is slipping
So get back on the right track
No more borders between our land
No more kufur system to be run
All of these belong to one land
Part of once mighty Islamic span
More than 52 nations we fall
One nation strong we stand tall
Waiting for the Ummah's call
Once again and for all
Reestablish Islam to rule all

Muslims are suppose to be
The example to mankind
It's an obligation
To have implementation
Of every legislation
In our daily life
Without hesitation
Stick to our only example
Prophet of ALLAH

He did not improvised
Unlike our present leaders
That's why there is no surprise
Our situations today
Ya Muslimeen
Ya Mu'meneen
Open up your eyes
Aim for the ultimate prize
Which is paradise
Allah's laws
By definition has no flaw
So why do we pause?
Tell me what's the cause
Hold your applause
Takbir!!!!
Allahu Akbar
Allahu Akbar
Allahu Akbar
