"I PLEDGE THE ALLEGIANCE"

(School bell rings)

Teacher: All right...settle down...settle down...

I want everyone to stand up for the american  
flag....especially you Mozlims back there....

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah!!!!

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah!!!!

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah!!!!

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah!!!!

I'LL TELL YOU WHY WE DON'T STAND!

In 1924, our state was demolished!

Hundreds of years of planning

And their plans were accomplished

Kafirs broke our bond!

Contaminated our knowledge

Better listen up..

Cuz you won't learn this in college!

Millions of victims

A genocide of statistics

And these are just symptoms

From the lack of existence

From the one & only solution

The Islamic system

One way

One method

It must be implemented

System of Islam

Cuz the creator has sent it

Our minds are infested

Our words are neglected

Hated and disrespected

Degraded and rejected

Nationalism disease

Slowly injected....

Wake up Muslim Ummah

Our unity has been infected!

Ready to die!

And fight for the cause

Spitting on their

Constitutions, flags, and their laws!

And no I shall not stand up and applaud

Don't want to gain the anger of Allah

Instead I live and die

For the pleasure of Allah

And Yes I pledge my allegiance

And I pledge my allegiance for Islam!!

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah

No sell out, so put away the loot

Straight out of the Quran & Sunnah comes the proof

We don't stand up for their flag cuz we know the truth

Instead we sit down with our brother

Mahmud-Abdul-Rau'ff

They want us to stand up and pledge to their allegiance

That's the way the kafirs want to see us

Trying to keep us out of the political arenas

Polluting young Muslim minds with tequilas

Attempting to steer us

So one will believe us

Painting the White House white

Cuz they're the real drug dealers

They broke us into pieces

So they can cease us

Telling us to give to Caesar

What is Caesar's

La - Ilaha - Ilallah

They'll never cease us

They won't show Muslims as achievers

Cowards!!

Cuz they're non-believers

No Khilafah

Because they fear us

Twisting our tongues

So no one will hear us

They fear us

Everything they hear us

Victory is promised to the believers

This is where I pledge my allegiance

I see depression

From man-made flaws

I see oppression

Under man-made laws

Won't bend over for the u.s.

Like stupid sadam

Or sell out Islam like mustafa kamall

United we stand

Divided we fall

Surrounded our land

By imaginary walls

Replaced Islam

With a system that stalls

Run by a president

That can't keep on his draws

And when he admits

People will applaud

Wipe that stupid smile off your face

Cuz you still have to answer to Allah!!!

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah

La - Ilaha - Ilallah Mohammedun Rasul-lu-Ilah

They want me to stand up for their flag

And pretend nothing's wrong

Destroy our Deen

That's what they want

They want to kill me

But they can't kill Islam

True meaning of democracy

Throwing bomb after bomb

Brothers in Milwaukee

I hope you can hear us

Much props

With those ANP lyrics

Soldiers of Allah in effect

Spread this Deen until my death

Won't give up Islam

Until you separate my head from my neck

Islam will take over the world like risk

Try to destroy Islam and you'll miss

Dividing us into regions

Let the masses resist

I PLEDGE MY ALLEGIANCE

Class is dismissed!
