Nowâ€¦

If we don't change society

Then we are part of the cause

on the Day of Judgment

We are going to stand

in front of Allah

There will be no excuses

For being useless

Without Islam in our lives

Our lives are fruitless

Leaving behind

all things

taking nothing

but our deeds

On the last day it will be

too late to repent

We will be accountable

For every minute &

cent that we spent

Islamically intact

My brothers got my back

Shaitan can't attack
because we were always in a pack
M-U-S-L-I-M
MUSLIM 4 LIFE
& WE WILL NEVER GIVE IN
WE STAND UP AND SPEAK OUT
AGAINST THOSE WHO OPPRESS
WE TAKE ISLAM &
WE TAKE NO LESS
Prophet showed us
how to be a statesman
a father, a leader
Amir of jihad
a husband, a judge
and a friend
A messenger
that Allah has send
that's the example
that we content
He cultured
The Sahabas personalities
Built Islamic mentalities
gave them the bigger scope
to spread Islam
All over the globe

they say your too young

to change this world

to young to understand

Look at Ali (RA)

At 8 he was mature

like a man

Carrying this

message of Islam

Khalid Ibn-Waleed

Conquering land

Liberating kufar

to Islam

Abu Bakar

politically sharp

was side by side

with the Prophet

from the start

We are the youth

Let us Bring Islam Back

We did it in the past

So let us do it again

M-U-S-L-I-M

MUSLIM 4 LIFE

& WE WILL NEVER GIVE IN

WE STAND UP AND SPEAK OUT

AGAINST THOSE WHO OPPRESS

WE TAKE ISLAM &

WE TAKE NO LESS

Carrying Islam

is like carrying a hot coal

pure pressure surrounds us

but we won't fold

when time become tough

remember Jannah

It was difficult

even for the Sahabas

No success

without struggle

Keep our best friends Muslim

So we're always out of trouble

checking our ideas

the way we think

Based on Islam

Because Islam is our Deen

Bonded by our ideas

Islamically connected

Days of Jahillah

Alhamdulillah we left it

Islamic as a yardstick

That we measure

Only for Allah

And to gain HIS pleasure

M-U-S-L-I-M

MUSLIM 4 LIFE

& WE WILL NEVER GIVE IN

WE STAND UP AND SPEAK OUT

AGAINST THOSE WHO OPPRESS

WE TAKE ISLAM &

WE TAKE NO LESS

Much props to my sisters

Carrying this Deen

& to my brothers

With the same mean

We will never idolize

It's no surprise

The youth realize

Jannah is the only prize

Standing together

Kafirs worst nightmare

Muslim united

And not scared

Following only Qur'an

& and the Sunnah

an Ummah

who loves Allah

More than this dunnyah

M-U-S-L-I-M

MUSLIM 4 LIFE
& WE WILL NEVER GIVE IN
WE STAND UP AND SPEAK OUT
AGAINST THOSE WHO OPPRESS
WE TAKE ISLAM &
WE TAKE NO LESS
