(P. Bromell)

I'm gonna kill myself, commit suicide  
but I don't know how yet, cause I havn't decided  
should I use a razorblade or some sleeping pills  
should I jump from my balcony, I don't care as long it  
kills

I'm gonna leave you a message on my answering-  
machine

I'm gonna tell you the reason, and tell you what I meen  
I'm gonna tell you why I feel like this, why I feel so blue  
say how much I need your love, how much I need you  
I don't want you to feel sad, there's no reason to cry  
I'm just so tired of everything and I just wanna die  
I don't want you to get mad, I'm sure you understand  
and I'm sure we're gonna meet again, in the promised  
land

I'm gonna kill myself, commit suicide  
But I don't know how yet, cause I havn't decided  
should I buy me a pistol and blow my brains against the  
wall  
should I put a rope around my neck, or should I wait for  
you to call
