[Chorus: Bronze Nazareth] I smoke more bone to embrace through my brain the pain But it stays consistent like 'Michigan Rain' I light an L and blow to maintain to the sane But it stays consistent like 'Michigan Rain' [Bronze Nazareth] Word, I blow a haze cloud thinking about my way out And grey clouds got me looking up from my ways down I shaved thoughts and misses from grave clowns Throw up prayers like half poured shots, but still it rains down Everyday heavier, swim now or never On my block is shot, let up with dead ones Whose head hung, jailed and heads spun Mind on his money, got it pawned on his grandma's best rug Did his best to feed his son, broke back and arms slung Nobodies seeing light, dog, harms overcome Me I'm seeing broken houses, silent war songs Baseheads in Hell when fiends sing the chorus long To the melody of felonies, no Sun in the ozone Running back and forth on blunts for build the cyclone Niggas know me for my nine hold, how my mind mould Time slow, page his time with sign shown The pain is felt to marrow of the bone Some cracked sidewalk where many failed to grow [Chorus] [Bronze Nazareth] Word, I smoke a tree house tryna get my seed out Sky turning black, mean good weather to see now I bleed the blood of the shaky youth forsaking truth Elevate prayers with weed smoke that never come true It turns to sludge too, hailing like they do Gandhi on my own block, marijuana float like Ali We soak up the Sun, approach it wisely Money on my mind, got me signing my next mic piece Doing my best to proceed in dark where the grime lead Always see in dark, no lights shown to radiate it I keep on seeing if he's reaching, eyes widely dilated Attempting to remember that these my people where \_\_\_\_\_ Heads running the bases like America Park, you see the traces They know I got the buckshot waiting, invading the building Time flies, life's ironic like brave villains The pain is felt to the quarter main vein Same broken dreams and many always failed to obtain [Chorus]
