So messed up, I want you here  
And in my room, I want you here  
And now we're gonna be face to face  
And I'll lay right down in my favorite place  
Yeah you know what that is

Now I wanna be your dog  
Now I wanna be your dog  
Now I wanna be your dog  
C'mon, give it to me

Now I'm ready to close my eyes  
Yes now I'm ready to close my mind  
Now I'm ready to feel your hands  
Lose my heart on the burning sand

Now I wanna be your dog  
Now I wanna be your dog  
Now I wanna be your dog  
C'mon, I wanna be your dog you know it

Do it  
Yeah that's right

So messed up, I want you here  
In my room, I want you here  
And now we're gonna be face to face  
And I'll lay right down in my favorite place  
Yeah you know what that is

Now I wanna be your dog  
Now I wanna be your dog  
Now I wanna be your dog

Well come on  
I'll be your dog
