Not by might
Not by power
But by my spirit says the Lord
(Repeat)
Sometimes fears can hide your vision
The loss of purpose chains you down
You think I've forgotten all you're dreaming of
But how could I forget the one I love?
These mountains shall be removed
I'll build My temple in you
And what I've promised shall be done
I can see your heart is tired
And your courage has worn thin
You wonder how long you will have to hang on
But when My love comes in, you'll be strong again
