"Color My World"

Visit "[Color My World](#)" on MotoLyrics.com

You'll never see a dark cloud hanging 'round me
Now there is only blue sky to surround me
There's never been a gray day since You found me
Everything You touch is turning to gold
So You can color my world with sunshine yellow each
day
Oh, You can color my world with happiness all the way
Just take the green from the grass
And the blue from the sky up above
And if You color my world just paint it with Your love
Just color my world
Just as long as I know You're thinking of me
There'll be a rainbow up above me
Now I found the One who really loves me
Everything You touch is turning to gold
Sunshine yellow, orange blossom
Laughing faces everywhere
