I walk in light  
I am no longer in longer in the darkness  
I am a child  
Of the Most Holy One  
And every day I will thank Him for His mercy  
That chose willingly  
To be a sacrifice for me

I believe in the cross  
I believe there was a cost  
The blood of Christ was shed  
To pay the price for the lost  
And I believe the Father gave  
His son so He could save  
This captive heart of mine  
And set me free  
Yes, I believe

I live by faith  
I choose to stand upon the promise  
That God's sweet grace  
Will hold me close to His side  
As I feel His Spirit's warm embrace  
Flowing through me, changing me  
I will never be the same

Heaven opened up and sent my Savior to me  
And I have been redeemed
