I can trust and choose Your will for me  
Or I can choose to trust my own  
But every time I do  
I end up on my knees  
Longing for Your arms to lift me up  
I can take the roads You lead me down  
Or I can turn and go my way  
But every time I do  
I end up on my knees  
Longing for Your arms to lift me up  
I know You know  
Just what I need  
I know You have a plan for me  
And I won't worry what the future holds  
'Cause I know You know  
I can hear just what You have to say  
Or I can hear just what I want  
But every time I do  
I end up on my knees  
Longing for Your arms to lift me up  
Lord, You're faithful in everything, everything  
Your the rock I'm leaning on
