Visit "[Pray For Me](#)" on MotoLyrics.com

I know the promises, what He said
When I'm weak, He'll be strong
And on those days when I find that I am
Losing ground on the road so long
It's hard for me to comprehend
That He is safely leading me
It's hard for me to understand
Just what He wants me to be, so...
Pray for me
'Cause sometimes I think that I'm just too weak to take it
Oh, pray for me
'Cause some days I don't have the strength I need to
make it
Oh, won't you pray for me
Oh, please pray for me
I know there may be trouble
Around every corner now
But I've been told that Jesus
Is gonna get me through somehow
I need to see His hand reaching out
When I'm leaning toward a fall
I need to hear His words of hope
When I have no hope at all, so...
I know I don't deserve anything He has to give
But I know unless I learn to accept His love
I'll never really live, so...
