Woah-oh-oh-oh! 8x
I'm crazy flowing over with ideas
A thousand ways to woo a lover so sincere
Love & hate, what a beautiful combination
Sending shivers up & down my spine
For every Casanova that appears
My sense of hesitation disappears
Love & hate, what a beautiful combination
Sending shivers up & down my spine
And the lovers that you sent for me
Didn't come with any satisfaction guarantee
So I return them to the sender
And the note attached will read
How I love to hate you
I love to hate you 3x
Oh, you really still expect me to believe
Every single letter I receive
Sorry you, what a shameful situation
Sending shivers up & down my spine
Ooh, I like to read a murder mystery
I like to know the killer, is it me?
Love & hate, what a beautiful combination
Sending shivers, make me quiver
Feel it sliver up & down my spine
And the lovers that you sent for me
Didn't come with any satisfaction guarantee
So I return them to the sender
And the note attached will read
How I love to hate you
I love to hate you, ooh!
And the lovers that you sent for me
Didn't come with any satisfaction guarantee
So I return them to the sender
And the note attached will read
How I love to hate you
I love to hate you
I love to hate you...
I LOVE TO HATE YOU
