Don't you see the twinkle in my eye?  
I'm going to a place you'll never see  
God's got this plan for me so now I gotta go  
There's no other place, I'd rather be

Than right here in this new life  
That's been given just to me  
No more waiting and wanting  
For something that'll never see

And I'm done with this, minor love procedure  
I'm done with this, I like to love boy teaser  
I'm done with this, I'll love you now, not later  
I'm done with this, crazy lady fever, oh

Telling you, I'm here on my knees  
So ready to beg for a new disease  
I've got a choice to make and I choose the money  
There's no other place, I'd rather be

Than right here in this new life  
That's been given just to me  
And now it's what I am and what I've been  
And what I'm supposed to be

And I'm done with this, minor love procedure  
I'm done with this, I like to love boy teaser  
I'm done with this, I'll love you now, not later  
I'm done with this, crazy lady fever, oh

You say, you know my name  
But I hide my fame behind a mask of  
[Incomprehensible]  
And if you're sad I keep, then don't invite me in  
Because I'm through and tired of this

And I'm done with this, minor love procedure  
I'm done with this, I like to love boy teaser  
I'm done with this, I'll love you now, not later  
I'm done with this, crazy lady fever

I'm done with this, minor love procedure

I'm done with this, I like to love boy teaser  
I'm done with this, I'll love you now, not later  
I'm done with this, crazy lady fever, oh

You make me crazy  
'Cos you just amaze me  
You make me crazy
