Your sweet attention is all I need
Your gentle kisses help me breathe
You comfort me when you're around
And when I'm with you there is no sound

Whisper my name, tell me your fears
Make all your feelings perfectly clear
Take me tonight, tell me I'm yours
You're all I ever wanted and more

Just tell me you love me, oh
Please tell me you need me, oh
And tell me you want me, oh
I just can't wait to see you tonight

Dreams of you I hold so dear
Until the next time, I wish you were here
I imagine your face and kind words you've said
And when I'm alone in my empty bed

Knock on my door, I'll let you in
Take me to a place that I've never been
I know this is love, tell me the truth
Do you seem like I do?

Just tell me you love me, oh
Please tell me you need me, oh
And tell me you want me, oh
I just can't wait to see you tonight

There's so much more
I need to say
I never imagined
You'd make me feel this way

Just tell me you love me, oh
Please tell me you need me, oh
And tell me you want me, oh
I just can't wait to see you tonight

Just tell me you love me
Please tell me you need me

And tell me you want me
?Cause I just can?t wait to see you tonight
