Mama, we miss you
How we wish, we could kiss you
Such gloomy days
Since you went away

But then I remembered
What you always wanted to do
So I guess you're sitting pretty
You always wanted to meet the Virgin Mary

So I know it's so fitting
Cause now you're with
Jesus, and Joseph, and Mary

Papa, you miss her
How you wish, you could kiss her
Such blue, blue days
You wanna make love, but she's gone away

But dad, you've got to remember
What she always wanted to do
So you know she's sitting pretty
She always wanted to meet the Virgin Mary

So you know it's so fitting
Cause now she's with
Jesus, and Joseph, and Mary
Yeah

But we got to remember
What she always wanted to do
So we know she's sitting pretty
She always wanted to meet the Virgin Mary

So I guess it's so fitting
Cause now she's with
Jesus, and Joseph, and Mary

So you know she's sitting pretty
She always wanted to meet the Virgin Mary
So I guess it's so fitting

Cause now she's with
Jesus, and Joseph, and Mary

Mama, I miss you
