"Me, I'm in the city, you know me, me, m-m-m-m-
mmmmm"

[Chorus]

"Me, I'm in the city"

I'm a monster baby, everything else is irrelevant

"You know me, I'm in the city"

Ticka-ticka-ticka-trill press it up and I'm sellin it

[Verse One]

I'm an N.Y. city slicker, be lovin the city nigga

Far from a pretty nigga, always been a gritty nigga

Stay fresh to death, provide new steps

And teach niggaz how to live, you can't hide from
death

See me I'm runnin these streets, bumpin these tracks

You need to hear this, you gon' give me somethin for
that

Out of every 5, 2 gon' buy, but I don't mind

It's really nuttin to me cause I'm on my grind

See the next 5 get the next 10 now that's 20

But be proud of myself, this is that grind money

Shorty tell me what you find funny, and it's aight

Cause in about 6 months you'll be ready to die for me

See me with the next chick tears in your eyes for me

You my biggest fan and I don't want you to cry mami

A month prior to this you was ready to shine on me

I'm here now, when you adjustin your time for me?

Cause you know

[Chorus]

Now you know

[Chorus]

[Verse Two]

I started off, gettin my product off

In and out of stores this what you been hollerin for

I'm my own man, I'm showin you how to be yours

Niggaz wanna know, is Shube, hot as before

Like parallel lines a nigga, got 'em to cross
Laid my game down flat, out on the floor
Couldn't get a job so now I'm my own boss
Jack off the hook, I ain't takin no phone calls
Niggaz biggest question is Shube what's goin on
Cop the CD and listen to every song
It's worth every dollar and I wouldn't steer you wrong
See me on my grind and my peoples cheer me on
You are my peoples so you know the family's strong
Haters sittin back mad dawg darin me on
Lot of people say that boy nice, they can't be wrong
Don't hate, put your thinkin cap on, get your rap on

[Chorus]

Now you know

[Chorus]
