[Brooklyn Academy]

Yeah!

We so corrupted babe

Brooklyn Ac', yeah (y'all ain't ready for this one)

C'mon

[Chorus: repeat 2X]

I wanna run in your pockets a lil' bit

I wanna sneak in your wallets a lil' bit

I wanna creep on your profits a lil' bit

Shake it up drop it down just a lil' bit

[Brooklyn Academy]

Hawkin all your jewelry PUNK

I'ma scheme up on you unexpected like puberty bumps

I don't care about your bodyguards

You just makin it easy for me to rob you and hit you  
with the shotty pah

Meet you when it's pitch black

So I can tie your hands on a monkey bar and start  
clappin up your 6-pack

Keys to your truck right now

And I dare you resist, have my nigga shake you upside  
down

All the change in your pocket'll drop

And I dare you to scream, squeeze your head 'til your  
eyesockets'll pop

Gotta get the avenue once, before I do that

I want your keys and your Capital One

If I rob you plenty'll follow

I take everything from your kicks to your Hennessy  
bottle

And I'm hungry so buy away

And don't let you have you a pair of Jades that I like  
dawg in size 8

You know I step in the club

With a long white tee and a weapon above, cause  
Somebody's gettin robbed at this party

(Uh-huh, I ain't playin)

[Chorus]
