[Intro: Buddha Monk] Hahahahahahaha, here go them Zu dudes again, whoo! [Chorus: Buddha Monk] All I'm thinking is a chick like you (Would you be my lady?) Keep a gangsta, shell top, 22 Maybach drop (Ride wit me, baby) I got a sidekick, hoodie chick, wifey, full clip, bump (is you wit me, lady?) Keep the Henny and Patron, up, glory up, now my niggas up (in the VIP, baby) [12 O'Clock] See, park the car, put the clip in him And put it in your place, get in the club wit him We buy five bottles and we poppin' 'em We in the VIP, niggas keep watching them It's all 'good times' like coppin' Timbs JJ, Grandma, Pops and them The brand new Benz off the lot with rims And them Brooklyn Zu keep girls hot wit them Like, Nina, Tanya and Kim And they teach P.E. do squats in gym And after the party, we party again Send the waiters to the bar, get some juice and gin [Chorus] [Merdoc] Give me a double shot of Henny and a red sight Homey, if it's like bling, then we call it limelight They told me shorty right there keep ya head tight Now I'mma put my beard in it, get my head right She told me that she all the way big, in my love life Aiyo, whatever shorty give me, give it to her twice Kicks the wife, beef alright Fuck it, pop a couple bottles, it's a good night Shorty move nice, make me wanna bite She told me get a little piece, I think I just might After club night, we can get a slice Take it back to the crib, you can spend the night [Chorus] [Buddha Monk] See those Zu dudes I roll wit, move wit ghost skit When approach drip, D's look for snakes and clip By that time, I'm in the club, Patron sip, looking for zone six My tongue sick, so look for candle all lit Can you smell what the Monk is cooking? I rebuild your home improvement Ya'll can talk then ass losing, krush grooving In the club, two-step, while lights be ruthless As move left, there he is, one-two step Meanwhile, keep my eyes on who's who, locate my Zu dudes Against fool, click-click, get rude It's the rotten apple from the barrel Looking at Victoria Secret models, backshot, she swallow [Chorus 3X]
