Dorland St by Solstice Duo  
I close my eyes and I see you  
I close my hands and I feel you  
I close my eyes and I'm there with you  
With you, with you

Are you falling  
Are you living  
Yeah, Yeah  
Are you taking all this life

Are you hoping  
Are you dreaming  
Are you doing all you can  
(All you can)

I left my heart down in Dorland St  
I still think of you  
I'll go with you, I'll go with you  
Will you come to me  
I'll go with you

Are you trying  
You're still fighting to survive  
All we got left is this love

Are you trying  
You're still fighting to survive  
All we got left is this love

Ohhh, Ohhh  
Are you falling... ? Are you living... ?  
Are you hoping... ? Are you dreaming... ?  
Mmmm, Mmmm
