Not the last time by Solstice Duo  
This is not the last time  
This is not the first kiss  
This is not the last touch  
Oh Oh Oh  
These are not the final words

Up to you, Up to me (2x)

This is not your last mistake  
This is not the last road  
This is not my last song  
Oh Oh Oh  
This is not our first goodbye

Up to you, Up to me (4x)

You are my secret heart  
You are my weakest part

This is not your last time  
This will be beginning of

You and me (4x)  
Up to you, Up to me (4x)
