[Lyrics by Damien]

Welcome to my never-ending tale  
This is where my violent journey begins

Screaming inside of me  
Feeding my lunacy  
Yearning for sanity  
With nowhere to turn

I am the hunter, you are my prey  
In emptiness is where I slay  
I'm stealing every breath you take  
The silence never breaks!

Open my eyes what do I see  
A lifeless corpse in front of me  
My bloodied hand clenching a blade  
Did I commit this act of rage

Cannot believe what I have done  
Where do I look where do I run  
This secret lurks within my head  
Where will it end

This fearless soul drifts in the black  
In desperation it attacks  
How will I ever close my eyes  
Their pain engraved into my eyes

Screaming inside of me  
Feeding my lunacy  
Yearning for sanity  
With nowhere to turn

Fear of another day  
Fantasy to be played  
Fear of another soul  
There's nowhere to turn

These infinite walls separate, reality from  
unconsciousness

I'm dreaming with opened eyes, imprisoned by  
separate lives  
That I'm living  
Running towards the white light, my steps make me  
dizzy as I fall into the void  
Will I wake from this dream or drift into an episode of  
slaughter  
Imprisoned by separate lives and separate souls  
Will I wake or will I kill again

I am imprisoned!
