[Music: Sigh, Lyrics: Mirai]

[Female Chorus: Chie K.]

Please open my eye, the third eye
Please open my eye, I shan't deny
Please open my eye, scarlet lies
Please open my eye, I shan't defy

The pseudo deaths I've been going through
And remembrance of the past catches my soul
The truth is raped, Escape the world that I knew
And remembrance of this future catches my soul

Please open my eye, the third eye
Please open my eye, I am blind
Please open my eye, death inside
Please open my eye, it's so bright

Don't believe what you hear with your ears
Don't believe in the fate that you fear
I am blind but I know the truth is here
I am deaf but I know Revelation coming near

[Chorus:]

I am the Sun, I am the Moon
I'm living in the
