Speak quickly, insecure, don't let in a word. i will  
marvel at your understanding. i'm amazed by the  
depths of your reason, yet if it were for reason alone,  
then what's compelling you? i admire your  
comprehension, but i'm failing to find the love in your  
words, it's hard for me to honor the things that you say  
when it is love that never fails. it is love that never fails,  
that without, i am nothing. even if i had all faith, faith  
so that i could remove mountains, but have not love, i  
am nothing. i admire your comprehension, but i'm  
failing to find the love in your words, it's hard for me to  
honor the things that you say when it is love that never  
fails. it is love that never fails, that without, i am  
nothing.
