US bombs cruisin' overhead
There goes my love rocket red

Shoot it up
Shoot it up

Blaster bomb, bomb, bomb, ahead
Multi millions still unfed
Amondo teeno givin' head

Shoot it up
Shoot it up

Hold me shake me, I'm all shook up
Psycho maniac interblend, shoot it up
Now shoot it up

Shoot it up
Shoot it up
Shoot it up

Teenage crime now fashion's dead
Shoot it up
There goes my love rocket red

Shoot it up
Shoot it up
Shoot it up
Shoot it up
Shoot it up
