Yeah she talks like a woman  
But she shakes like a man  
She's got more rhythm sexual feeling  
From a mutant than a man  
Yeah she's my man  
She's got the prettiest face  
The wittiest mind  
The prettiest gargoyle ever find  
She's my man catch her if you can  
She's my man  
Desperate loving made me blind  
She's my oriental lover  
Now she's two of a kind  
And she shot me from the body  
With her lipstick mind  
Yeah she's my man  
She's my man catch her if you can  
She's my man  
She's unlike no other creature  
She's a killer in disguise  
She's just starred in my x feature movie  
Thrilling all the boys  
She's explosive neon highs  
She's a freaked out freak android  
She's my pleasure seeking leisure boy  
You're in, not out, good bye  
Yeah she's my man  
Catch her if you can  
She's my man  
(chorus) 2 riffs  
(chorus) Bass  
Drop Catch her if you can  
(chorus) (chorus etc)
