Once I thought that love was something I could never
do
Never knew that I could feel this much
But this yearning in the deep part of my heart for you
Is more than a reaction to your touch
It's a perfect passion
And I can't get enough

The way you look
The way you laugh
The way you love with all you have
There ain't nothin 'bout you that don't do something for
me
The way you kiss
The way you cry
The way you move when you walk by
There ain't nothing 'bout you that don't do something
for me

In my life I've been hammered by some heavy blows
That never knocked me off my feet
All you gotta do is smile at me and down I go
And baby, it's no mystery
Why I surrender
Girl, you got everything

Repeat Chorus

I love your attitude
Your rose tattoo
Your every thought
Your smile
Your lips
And girl the list goes on and on and on

Repeat Chorus

The way you look
The way you laugh
The way you love with all you have
Your dance

Your drive
You make me feel alive
The way you talk
The way you tease
By now I think you see
There ain't nothin 'bout you
That don't do something for me

The way you look
The way you laugh
The way you love with all you have
Your dance, your cry
You make me feel alive

The way you talk
the way you tease
Right now i bet you see
There ain't nothin' 'bout you that don't do somethin' for
me (instrumental fade)
