To preach you're intentions
May work for you
But I have my own thoughts
Of a better way of living
There's red flags now, don't you let them take you
down

I'll Wake, from the dream that I hate
It's never too late, I'll choose my words, and make a
statement
I'll keep, my genuine ways, the jaded will die
I got to sail on my own sea

The meaning behind you
I'm not sold
The lead when you take charge
Will be dropped like stones through water
Turn away now, your visions not for me to see

I'll Wake, from the dream that I hate
It's never too late, I'll choose my words, and make a
statement
I'll keep, my genuine ways, the jaded will die
I got to drive on my own road
