I'm so darn giddy  
With my pretty one and only  
Down with my band, we hate the "monkey"  
I'm gonna pinch everyone around me  
And then I'll giggle 'cause I'm really stinking happy  
YUP, today I'm gonna pick a couple daisies  
Put'em in my hair and act all crazy  
I'm gonna tickle everyone around me  
And make'em giggle till they're really stinking happy  
I'm just a farce  
You can't believe me  
The look on all your faces shows to my  
You're not happy  
You need Christ  
[Repeat 1st Verse]  
I'm still a farce  
You still can't believe me  
The look on all your faces shows to my  
You're not happy  
You need Christ  
I'm so darn giddy  
With my pretty one and only  
Down with my band, we hate the "monkey"  
I'm gonna pinch everyone around me  
And then I'll giggle 'cause I'm really stinking happy
