everyone says i love you
i dont know what they mean
and when i say i love you
nwo you know
do you believe me cause

beautiful girl
who will it be
cause this emptiness deep inside
is your sactuary now
beautiful girl
say i do believe
that you could be happy here
please believe me

everyone has their reasons
they dont want you to know
and if you knew my reasons
you now know
would you stay or would you go cause

beautiful girl
who will it be
cause this emptiness deep inside
is your sactuary now
beautiful girl
say i do believe
that you could be happy here
please believe me

beautiful girl
who will it be
cause this emptiness deep inside
is your sactuary now
beautiful girl
say i do believe
that you could be happy here
please believe me
oh beautiful girl

i do believe

i do believe
