Hey,

How long, I've been waiting for a love so tender

Hey, hey

Hey, how long , can I stay without a touch, I wonder

You you

You you

Tell me how you'll never know a loneliness

Hey

My love

No no no

Leave me on my own

Please

Call me

Call me

Baby baby call me now

Call me

Call me baby baby

Do do do it

Baby please

Hey

I can wait

But I beg you babe, don't lose my number

I tell you babe, call me now cause I'm losing somber

You you

U use

All my fantasie to dream

About you... yeah

Hey, and my love

I can't resist here all alone

Please

Call me

Call me

Baby baby call me now

Call me

Call me baby baby

Do do do it

Baby

Please

Baby baby call me now

Call me

Call me baby baby

Do do do it

Baby please

(Call me call me now, I'm whole alone)

Talk to me darling

All night long

(Call me call me baby, when you want)

When you want

Baby please, call me

Call me

Baby baby call me now

Call me

Call me baby baby

Do do do it

Baby please

Call me

Call me

Baby baby call me now

Call me

Call me baby baby

Do do do it

Baby

please
