Beep-beep, beep-beep, his horn went beep-beep-beep

While riding in my Cadillac  
As we guys were going down the pond there fishin'  
I was in my brand new silver Seville Cadillac  
And what, to my surprise  
Ooh I was proud of that thing, that silver with the gold  
trim, ahh, boy it was pretty  
A little volkswagon was following me  
The biggest engine I could buy too, I was just really  
enjoyin' life  
A bug viewed through my sides  
It was such a pretty day, and I had it on cruise control  
The guy must have wanted to pass me up  
A little old volkswagon was behind me, I don't know  
where he came from  
But he must have wanted to pass me, he kept tootin'  
his horn  
As he kept on tootin' his horn  
Remind me of a ding-dang net, kinda aggravatin',  
kinda embarrassed me  
I'll show him that a Cadillac is not a car to scorn  
But I'd show him a thing too, bippin' his horn at me,  
hee-hah  
In my brand new Cadillac, ha-ha-hah  
He kept on tootin' that little horn, you should of heard it

Beep-beep, beep-beep Ha-ha, it was puny  
His horn went beep-beep-beep It went beep-beep-beep,  
plum pitiful sound  
I pushed my foot down to the floor to give the guy  
some shame  
I thought I'd just ease away from that old boy  
So I could push my foot down to the floor, hah-hah-hah-  
hah, hmm,hmm,hmm,hmm  
The little volkswagon stayed right behind, he still had  
on his break  
I couldn't wait, hee-hee-hee, but he stayed right behind  
me  
I think he still had on his break, hah  
He must have thought his car had more guts as he kept

on tooting his horn  
Well, I don't know what he had under his hood,  
?.....? his trunk  
I'll show him that a Cadillac is not a car to scorn  
He kept on tootin' that horn at me and I'll show him a  
thing or two
