"A Little Respect"

I tried to discover
A little something to make me sweeter
Oh baby please refrain
From breaking my heart
I'm so in love with you
I'll be forever blue
That you give me no reason
Why you're making me work so hard
That you give me no
That you give me no
Well you give me no
No you give me no
Soul, I hear you calling
Oh baby please, give a little respect
To me...
And if I should falter
Would you open your arms out to me
We can make love not war
And live with peace with our hearts
I'm so in love with you
I'll be forever blue
What will led you no reason
Could drive a man to forsake his lover
Don't you tell me no
Don't you tell me no
Well you give me
No, no you give me no
Soul, I hear you calling
Oh baby please, give a little respect
To me...
I'm so in love with you
I'll be forever blue
That you give me no reason
Why you're making me work so hard
That you give me no
That you give me no
Well you give me no
No you give me no
Soul, I hear you calling
Oh baby please, give a little respect
To me...

I hear you calling
Oh baby please, give a little respect
To me...
