"Cruel"

How can you be so indifferent
I can't believe you meant what you said
I may not be your dreamy prince
But I don't deserve any of this
So hey... Hey...
You don't have to be cruel
You don't have to use those words
For long I've been a fool
But now i can see clearly who
Comes first
We used to go out and drift away
You always had nice things to say
Now we don't even talk anymore
Nothing is like it was before
But hey... Hey...
You don't have to be cruel
You don't have to use those words
For long I've been a fool
But now I can see clearly who
Comes firts...
Those words... comes first
