"Here Comes My Baby"

In the midnight moonlight I'll
Be walking a long and lonely mile
And every time I do
I keep seeing this picture of you

Here comes my baby, here she comes now
And it comes as no surprise to me, she's with another
guy
Here comes my baby, here she comes now
Walking with a love, with a love that's oh so fine
Never could be mine, no matter how I try

You never walk alone
And you're forever talking on the phone
Well I've tried to call you names
But every time it comes out the same

Here comes my baby, here she comes now
And it comes as no surprise to me, she's with another
guy
Here comes my baby, here she comes now
Walking with a love, with a love that's oh so fine
And never to be mine, no matter how I try

I'm still waiting for your heart
'Cause I'm sure that one day it's gonna start
You'll be mine to hold each day
But 'til then, this is all that I can say

Here comes my baby, here she comes now
And it comes as no surprise to me, she's with another
guy
Oh here comes my baby, here she comes now
Walking with a love, with a love that's oh so fine
Never could be mine, no matter how I try

Here comes my baby, here she comes now
And it comes as no surprise to me, she's with another
guy
Here comes my baby, here she comes now
Walking with a love, with a love that's oh so fine

Never to be mine, no matter how I try
